### New QLD Smoke Alarm Legislation

#### What does this mean?

All rental properties need to make the necessary changes - install interconnected photoelectric smoke alarms as soon as possible.

#### Where will smoke alarms need to be installed?

- In each bedroom
- In hallways that connect bedrooms to the rest of the dwelling

**Don't stress!** We know what is required to comply with the new legislation & can work with you to make it happen! Let us give you a competitive quote on your properties today!
